They also reviewed the efforts being made at regional, continental and international levels to end the violence afflicting Libya, as well as facilitate an inclusive political dialogue among the Libyan stakeholders, with the objective of promoting national reconciliation and successfully completing the ongoing Transition. Finally, they discussed the best ways and means of enhancing international coordination and engagement through the ICG-L.

3. Participants expressed their deep concern about the continuation of violence, in spite of the repeated appeals of the international community to the parties to exercise restraint and seek a peaceful and negotiated solution to the conflict in their country. In this regard, they noted the continued fighting between the armed belligerents in various parts of Libya and the use of violence against civilians and civilian institutions, including aerial bombing and other attacks targeting public infrastructure and facilities, such as airports, State institutions and other critical national infrastructure and assets. They reiterated their dismay at the resulting catastrophic humanitarian consequences, including internal displacements and flow of refugees towards the neighboring countries. They also noted the increasing flow of illegal migration to Europe as a result of the collapse of state structures in Libya and the related humanitarian tragedies, particularly during attempts to cross the Mediterranean Sea.

4. Reiterating, once again, that there can be no military solution to the conflict in Libya, Participants strongly condemned the continuation of violence, the attacks against innocent civilians, acts of torture and mistreatment and all other violations of the International Humanitarian Law and human rights law. They underlined the need to hold all those responsible for those acts accountable and to effectively deal with the spoilers. In this respect, they welcomed the decision of the Security Council, in resolution 2213 (2015), to strengthen the sanction regime against spoilers.
